

SENT VIA EMAIL

Mr. Couch,

I wanted to tell you thank you for everything you and your company did to remedy the problem with our daughters ID card. I received the new cards yesterday. I was not expecting so many! Thank you very much. We will definitely use your company again in the future. I really appreciate all of your help. I hope we never need the kit in an emergency, but it is good to know we have it on hand.

Thanks again,

Teresa Plemmons
